

Name: Biken Maharjan
CS350

1 i)

Average time spent in the queue when the simulation is run for 2hrs : **79.2220620011**

For 100000 Average time spent in the queue : 22158.1419211

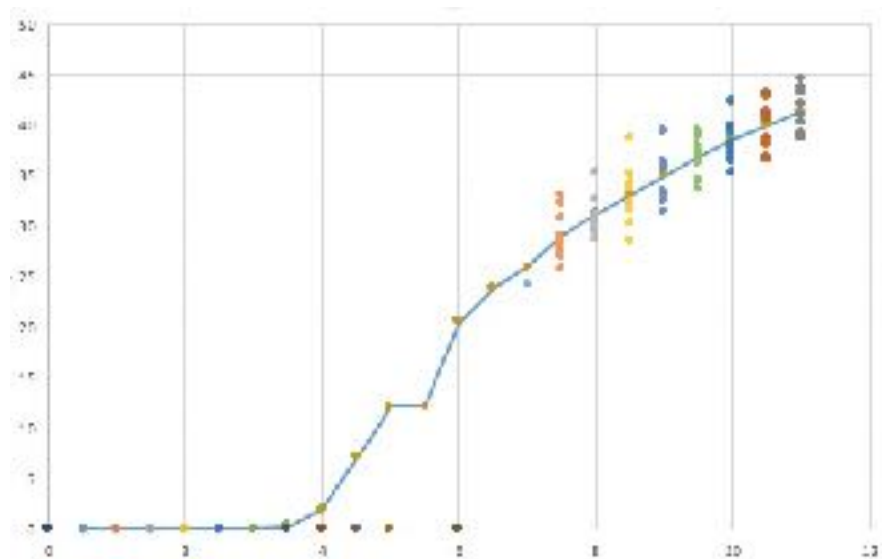

ii)

Average number of packets in the queue: **31.4081632653**

For 100000 Average number of packets in the queue: 8881.3430867

iii)

Plot Average Queue Length (w) against Service Time (Ts).

UU1 [100,000]
